國家圖書館古籍服務實務研究

A Study of the Ancient Books Practical Services in
National Central Library

研究生：蘭梓涵 撰

中華民國一一〇年一月

摘要

古籍是中華文化組成的重要部分。在圖書館的古籍服務方面，我們要探討的不僅是眼前所看到的問題層面，更要去挖掘讀者的內心需求及渴望，使古籍部門能夠被徹底的運用，藉此推廣古籍。筆者將整理圖書館古籍服務在國內、外的發展情況，並綜論與分析如何有效地保存國內的珍稀文獻，進而加強圖書館服務，同時以我國珍貴古籍的主要典藏機構——國家圖書館，作為國內古籍圖書館的代表，對其規劃的各項古籍服務進行深入性的探討，並且利用深度訪談法，探討國家圖書館古籍服務工作的實務內容。

本研究將研究結果分為五個面向，包括：一、國內圖書館目前古籍部門的營運狀況；二、國家圖書館對古籍的整理及保護工作；三、國內圖書館古籍部門服務人員的實務現況探討；四、國內圖書館數位化古籍館藏的管理及使用狀況；五、國家圖書館古籍讀者服務的推廣，藉由受訪者的資料分析，勾勒出國家圖書館在古籍實務上的服務等內容，進行總結性評論。最後，依據本文的研究成果，為國家圖書館及國內古籍部門提出一些建議，並提供進一步之未來研究建議，供國家圖書館與各界參考。

關鍵詞：古籍資源；古籍管理；讀者服務；國家圖書館

Abstract

Ancient books are an important part of Chinese culture. In the aspect of the ancient books service of the library, what we should discuss is not only the problems we see at present, but also the inner needs and desires of the readers, so that the ancient books department can be thoroughly used, so as to promote the ancient books. I will arrange the development of ancient library services at home and abroad, and review and analysis on how to effectively save the domestic rare literature, and strengthen the library service, at the same time in the main collection of precious ancient books in Taiwan — National Central Library, as the representative of the ancient library of its planning in all kinds of ancient books provide services for in-depth discussion, and using the method of depth interview, and discusses the practice of National Central Library service work for the ancient books.

The research results are divided into five aspects, including: 1. The current operation status of the ancient books department in domestic libraries; 2. The collation and protection of ancient books in the National Central Library; 3. Discussion on the current situation of the service staff in the ancient books department of domestic library; 4. The management and use of digital ancient books collection in domestic libraries; 5. Promotion of the National Central Library's services for ancient books readers. Based on the data analysis of interviewees, this paper Outlines the contents of the National Central Library's services for ancient books in practice and makes summary comments. Finally, based on the results of this study, some suggestions are proposed for the National Central Library and the ancient books departments in Taiwan, and some suggestions for the future research are provided for the reference of the National Central Library and the public.
